

Organizing Committee - IIT Guwahati

Principal Investigator

Prof. Gaurav Trivedi

Professor, Department of Electronics & Electrical Engineering
Indian Institute of Technology Guwahati (IITG)

Course Coordinator

Dr. Hanumant Singh Shekhawat

Asso. Prof., Department of Electronics & Electrical Engineering
Indian Institute of Technology Guwahati (IITG)

Organizing Committee - NIT Raipur

Chief Patron

Prof. N. V. Ramana Rao

Director & Professor – Department of Civil Engineering
National Institute of Technology Raipur (NITRR)

Convenor

Dr. Kapil Kumar Soni

Assistant Professor, Department of Information Technology
Spoke Institute Coordinator (NITRR) - E&ICT Academy, IITG
Email: kksoni.cosine@nitrr.ac.in & Contact: **+91-9993451386**

Coordinators

Dr. Neeraj Manhas

Assistant Professor, Department of Mathematics, NIT Raipur
Email: nmanhas.maths@nitrr.ac.in & Contact: **+91-7006143838**

Dr. Sharada Nandan Raw

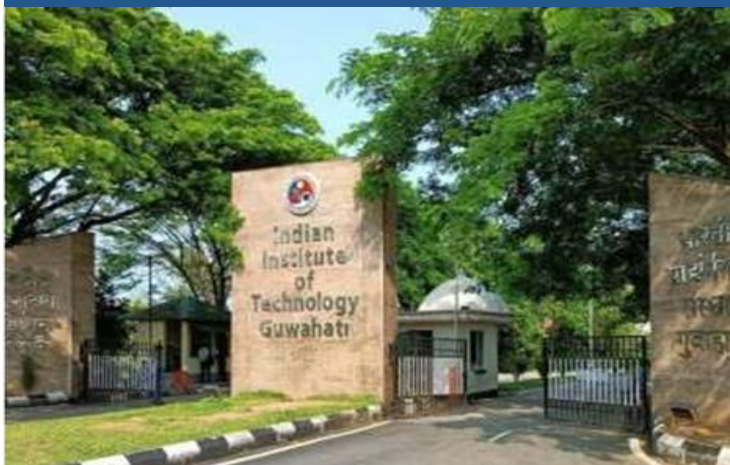

Professor, Department of Mathematics, NIT Raipur
Email: sharaw.maths@nitrr.ac.in & Contact: **+91-9575508440**

Venue

National Institute of Technology Raipur (NITRR)
G.E. Road, Raipur Chhattisgarh - 492010

About E&ICT Academy

Electronics and ICT Academy is an initiative of the Ministry of Electronics and Information Technology (MeitY), Govt. of India for conducting various Faculty / Research Scholar Development Programme. Academy has planned short term training programmes on fundamental and advanced topics in IT, Electronics & Communication, Product Design, Manufacturing with hands-on training and project work using the latest software tools and systems. In addition, the Academy will conduct specialized / customized training programmes and research promotion workshops for corporate sector & educational institutions.

How to Register:

Kindly visit the website using the link provided below. You will be required to enter the necessary details, after which you will be automatically redirected to the payment gateway to complete the registration process.

One Week Faculty Development Program

on

“Advanced Mathematical Modeling and Computational Methods: Applications in Science & Engineering (AMMCASE-2026)”

26th October, 2026 to 30th October, 2026

Objective of the Course: This course is to explore the advanced mathematical modeling, numerical and computational methods, nonlinear dynamics, scientific computing, computational biology and physiology, AI and data-driven modeling, with the interdisciplinary applications in biomedical, ecological, environmental, scientific, and engineering systems.

Organized by

E&ICT Academy, IIT Guwahati

In Association with

**National Institute of Technology Raipur
(NIT Raipur)**
